# COMPANY PROFILE

Crudomin has progressed very rapidly and secured a distinct and significant status among industry peers. The company operates one of the largest and most advanced production facilities in Pakistan. Our state-of-the-art plant is designed to produce a diverse range of high-quality Himalayan pink salt products, including edible salt, industrial-grade salt, decorative salt lamps, and other value-added salt solutions, all manufactured to meet international quality standards.

## HIMALAYAN PINK SALT, 100% PURE & NATURAL

Himalayan Pink Salt is 100% pure, natural, and untreated—a true gift of nature. Rich in essential trace minerals, it is carefully mined from the pristine Khewra Salt Mine, one of the oldest and most renowned salt reserves in the world. Our Himalayan pink salt is valued for its exceptional purity, natural origin, and superior quality.
